

*En casemate*

- Seven 32- pounders on wooden carriages
- Ten 10-inch Rodman's on iron carriages
- Forty 24-pounder flank howitzers on wooden carriages

*En barbette*

- Eight 8-inch Rodman's on iron carriages and fore-pintle mounts
- Nine 10-inch Rodman's on iron carriages and fore-pintle mounts

Seven of the eight center-pintle mounts on the barbette tier had yet to receive their traverse circles and the eighth (on bastion C) had yet to be commenced.<sup>5</sup> Two 15-inch Rodman guns planned for the barbette tier remained un-mounted on the parade.

Armament of the barbette tier, February 1872. NARA, Drawer 259, Sheet 95
